

Expression of Interest to apply for international accreditation

International degree program providers who wish to seek international accreditation with the Australian Pharmacy Council (APC) are required to submit this completed form to allow us to assess if the program meets the requirements of our [International Degree Program Accreditation Policy](#). If the requirements are met, we will provide a formal invitation to apply for accreditation to the program provider.

Please note: APC accreditation of an international pharmacy program does not provide a pathway for approval as a registrable qualification by the Pharmacy Board of Australia (PharmBA).

To avoid any issues when submitting your form, please open and complete in Adobe Acrobat, and save as you go.

Provider and program details

University name

Address

School details

School name

**Additional address (if
delivered on more than
1 campus)**

Pharmacy program details

**Title of pharmacy
program(s)**
